Prayer:

Fire takes and fire gives. Fire converts and fire preserves. Fire destroys and fire transforms. Fire is your gift in nature and in spirit, the visible manifestation of Your power. Send us your fire, Lord, in this 500-year Reformation Spring. Help us see ourselves through fire, and show us who we are to be on the other side of the fire line. Hearten and encourage us to sanctify our lives, individual and corporate, by passing them through your holy fire. Endow us with the faith that what remains will be the seeds and nutrients to regrow your kingdom. Strengthen us, Lord, with the body of your Son, and the power of your Spirit. Amen.
