WHISPERING WINDS CAMP POOL CLOSURE INFORMATION

Recently there has been misinformation about the closure of the pool at Whispering Winds Camp for the summer of 2022. The Camp Commission voted unanimously to not open the pool this season for several reasons including the following:

- The chlorinator is not the correct size which became apparent last summer and resulted in an unsafe situation towards the end of the season due to excess algae.
- The pool needs to be sand blasted, painted, and sealed. This requires money and volunteers.
- The baby pool does not drain properly, which creates another project and additional cost.

The camp has not made money for the past 9 years so the decision to close the pool was an effort to reduce expenses so other needed improvements could be possible. The commission does not have the money to fund these repairs, nor the volunteers to help maintain it. If anyone has further questions, please contact DJ Spaeth, Camp Commission Moderator.
