Let Us Focus Our Prayers on These Members:
Back from Aberdeen: Picked up a Cold but no Brogue
From March 11 to 15 I attended seminars and presentations for Distant PhD students in Divinity at the University of Aberdeen. (Pictured to my right is the entrance to King’s College taken from High Street.) Professor Grant McCaskill of New Testament oversaw a reading of Luther’s interpretation of Genesis 3, observing his exegetical, homiletical, and theological moves in interpreting the text. Emeritus Professor of New Testament at Cambridge University, Morna Hooker gave a seminar on Paul’s understanding of “ho agios” which can be interpreted as “Holy ones” or “The Saints.” Each PhD student gave a 15-minute presentation on their work and then received 15 minutes of constructive feedback. And each of us met our PhD advisor for one-on-one mentoring. All in all, it was a very busy week. The hardest part for me was trying to get over jet lag and a cold. And, yes, the weather is as you would expect in Aberdeen in March—cold, windy, and wet. But the people made up for it with their warm hospitality. I love Scottish hospitality but not so keen on their cuisine. Alas, I still have my Southern/Mid-Western accent. I did not pick up a Scottish brogue but there is next year. Thank you for allowing me the time to get away. It was a most rewarding experience.

Spring has Sprung and the Promise of New Life
Every year it seems that the cold, biting winter in which everything is dormant becomes a foreboding symbol of death. All I want to do is get inside where it is warm and out of the cold. And then I come across a sign that all is not dead or dying and my spirit soars over the promise of Spring that is coming. The picture to the right is in the courtyard of Newnham College, Cambridge University, Cambridge, UK. I was walking up a flight of stairs to my daughter’s dorm room when I looked out the window saw this breath-taking sight.

In many ways this is the promise of Easter. Death and the horror of death that the disciples faced on Saturday after seeing Jesus crucified on Friday is what we are faced as we deal with the reality of sin and death in the winter of human existence. We can be beaten down by the cold harsh realities of a world in which another terrorist enters a house of worship to slaughter innocents. The Vicar at Selwyn Chapel said that “Terrorism has no religion” but I thought to myself they do seem to share in “an ideology of hate.” In a world that continues to push God out on the cross, we need the church more than ever to be that sanctuary of warmth, hospitality, and, even, solidarity with the victims of such hate to embody a different way in the world. And that way is to pray with Jesus in the Garden of Gethsemane for the sacrifice (and sacrifices) made for the salvation of the world. For on that day when the Resurrection dawns for all humanity, nations will beat their swords into plowshares and Houses of Prayer will become a sanctuary once more from the bitter cold because Spring has sprung. And Jesus Christ has been raised. I invite you to attend all the services offered during Holy Week as our solidarity with those who are awaiting the dawn of the Resurrection but only know the harsh reality of death.

Grace and Peace,
You are all invited to a church-wide picnic celebration on Wednesday, April 24 (rain or shine!). The Minisa Park has been reserved for a time of fun and fellowship for the whole church family. First Presbyterian’s Stewardship Committee is planning activities for all ages so that we might celebrate God’s beautiful earth and learn how to be good stewards. Last year’s event was attended by over 80 members.

You can come as early as 5:30 p.m. We will plan to eat at 6:00 p.m. The main course, drinks and service will be provided. You are encouraged to bring any side dish to share. Ice cream will follow.

FAREWELL TO FRIENDS

Doris Little, a long-time church member (along with her husband, Phil, who passed away a few years ago), has decided to move to the KC area to be close to her son, Doug, and daughter-in-law, Jackie. Doris will be close to her grandchildren and great grandchildren, as well, and for this she is grateful. Doris has many years of service to FPC and has made many friends and special memories here. We thank you, Doris, for your faithful presence in worship, your wonderful smile, and for all the ways you cared for us. We will miss you and wish for you peace and contentment in your new place and the continual surrounding of love. May God bless you and keep you safely in His hands as you start this new chapter in your life.

You can send a note to Doris at this new address:

We also say good-bye to member, Ray Wheeler. Recently, Ray moved back to California to be closer to family and friends. We thank him for his many years of service and wish for him peace, contentment, and God’s continual love and guidance in his life. We will let you know his new address when he gets settled into his permanent place.
PARISH NURSE MINISTRY NEWS & UPDATES

Some information to remind you of ways that FPC’s Parish Nurse Ministry cares for you:

- **Blood Pressure and Health Counseling offered every 3rd Sunday in the Well during coffee fellowship**
  
  Several ‘regular’ attendees participate in this healthful activity because they want to be proactive in attaining and maintain good health. If you are recently diagnosed with hypertension or pre-hypertension and have started on medication to control your blood pressure, it is very helpful to keep a running tab to share with your Dr. And if you have taken medication for a long time, it is still imperative to check your BP to ensure that the medication continues to work. Come to the Well and be curious about your BP and other health issues and find out how your Parish Nurse may guide you.

- **Communication about hospitalization and other concerns**
  
  Communication is vital to life and the life of the church. Many wonderful things happen when there is reliable communication shared with permission (not gossip) surrounding crisis, illness, grief, and other life changing events. When you are able to share with others the challenges and heartaches in your life, it is amazing the doors that open and the caring people willing to come and lend a hand. If you are experiencing an illness and would like some guidance or assistance or know of an upcoming hospitalization for yourself or loved one, please share this information with the church office at 263-0248. Our administrative assistant in the office, Michelle Edwards, will be able to direct your call and get you in touch with our pastoral care team (Pastors and Parish Nurse).
  
  Please know that the church does not always know when our members are hospitalized (members may not be listed on the hospital’s pastoral team report that our church offices calls for and receives this information), especially if one is admitted through the Emergency Room. Your family members or friends can also alert the church to your hospitalization. When you are in the hospital and the church is aware, you can expect visits from our pastoral care team, daily prayers from many congregational members enlisted on our prayer chain, delivery of Sunday sanctuary flowers from our Deacons, and a follow up call or visit from the Parish Nurse when you get home. Please note that if you do not want to be listed on our hospital list, you will need to tell the hospital your desire for confidentiality upon your hospitalization. When the church becomes aware, the prayer chain will pray daily for all who have been hospitalized or are in rehab facilities. If you have requests for prayers for you or a loved one, or would like a home visit, please call Joan Aldrich, Parish Nurse at (316) 409-7249.

- **Medical Equipment Loan Closet at FPC**
  
  There is a wide assortment of used durable medical equipment available for your use in the event of an injury. Many members and their family members have donated walkers, shower chairs and bench, commodes, crutches, canes, and wheelchairs to share. Please contact me if you would like to donate or are in need of this equipment. There are other medical loan closets in town that have many new and used medical items for sale at a very low cost. I have referred folks to the Medical Loan Closet located close to Harry and Rock. Their number is: (316) 779-8989.

We care about you. Please let us know how we may help. Thank you!

News from the Economy Corner

February's total sales were $8,602.90. This is a decrease of $279.86 over February 2018 sales. The decrease in sales was due to being closed for five days because of winter weather and special sales for President’s Day and the Bag Sale before change-out from winter to spring items. The E.C. Board voted to coordinate our Spring change-out with the Wichita School District’s Spring Break schedule to allow parents the opportunity to bring children in to shop for the coming seasons.

FPC’s share was $8,547.42 and Grace’s was $773.48. We filled 82 vouchers in February for basic clothing necessities which were equivalent to $1,220.10. FPC’s portion of the vouchers equaled $949.50 and Grace’s was $270.60. To make bagging of items quicker and more efficient, we have need of small bags such as the ones from pharmacy purchases. Please include them with your other donations.

We appreciate your faithful donations of goods and time that help us assist so many in need. We are blessed to be able to fulfill our Mission of meeting the daily needs of our community.

One Great Hour of Sharing

- Self-Development of People

One Great Hour of Sharing Offering Collected on Palm Sunday

Mighty and merciful God, in Jesus Christ you opened the doors to us. Make us a church whose doors open so that we go out to join in mission and ministry with all our neighbors in need. Through the gifts we offer to One Great Hour of Sharing, may your light break forth before us, and may we be called repairers of the breach, restorers of streets in which to live.

Dear Friends,

This year we celebrate the 70th anniversary of One Great Hour of Sharing, an annual outpouring of Christian generosity that continues to transform lives around the nation and the globe—from South Sudan to South Carolina, from Puerto Rico to the Philippines. In 1949, the Presbyterian church and other Christian groups came together to answer this challenge: How much money can we raise in an hour to address the suffering in the world? Eventually twenty denominations joined this effort to make the love of Christ real for individuals and communities around the world who suffer from the effects of disaster, violence, and/or severe economic deprivation. The visionary people who gave birth to One Great Hour of Sharing wanted to show the power that can be generated when Christians unite in a common cause. Today the offering’s purpose remains the same, and the need for the life-changing work of One Great Hour of Sharing is greater than ever.

The season of Lent reminds us who we are, who we serve, and how we are called to live lives of faith. One Great Hour of Sharing presents us a wonderful opportunity to answer the call to Christian discipleship. When you and your congregation participate in One Great Hour of Sharing, you are changing lives in Christ’s name through the ministries of Presbyterian Disaster Assistance, Presbyterian Hunger Program, and Self-Development of People. From initial disaster responses to ongoing community development, your gifts provide safety, sustenance, and hope to individuals and communities in need. If you have questions or would like to learn more, contact special.offerings@pcusa.org.

Please join us in contributing to this important offering. You know that the need is great. Your gift will make a difference.

In the faith we share,

Stated Clerk of the General Assembly

“Be Well” (in body, mind, & relationships) Seminar Saturday April 13

The Parish Nurse and the Evangelism/Hospitality Commission are sponsoring a “Be Well” Seminar, one session only, on Saturday, April 13, 9:00 am – 3:00 pm in The Well. The session is FREE, limited to 20 individuals with lunch and materials provided.

To register, sign up with Joan Aldrich (409-7249) or Mary Knecht (942-8068) by noon, Sunday, April 7, 2019. If you make a reservation, plan to attend and aren’t able to come please call and cancel to make room for someone else.

“Be Well” is presented by Rev. Dave Fulton. He received a grant from the Kansas Health Foundation and has been leading “Be Well” Seminars with great success for the last year. He is offering this program to members of FPC, their family and friends. If this session proves popular others will be scheduled.

The Symbolism for us is obvious and the message is inviting: Come to “The Well” for a seminar on wellness—in body, in mind, and in personal relationships. Our Parish Nurse feels this program would benefit members. The Evangelism and Hospitality Commission believes with this program we have something special to offer those in our neighborhood (the progressive downtown residents) who do not have a church home but consider themselves spiritual. The program would also be of interest to those who are conscious of the importance of wellness, a contemporary movement at the present time with young adults, parents, middle-aged adults and senior adults.

Deep Spiritual Wellness (DSW) is our natural vitality and source of wellness. Spirit is the inner energy which makes us well. Spiritual practices such as meditation (mind), yoga (body), and spiritual conversation (relationships) open us to deep spiritual wellness. Stress in body, mind and relations take us out of DSW. Living in Deep Spiritual Wellness empowers vitality!

From Psychology Today: “Stress generally refers to two things: the psychological perception of pressure, on the one hand, and the body’s response to it, on the other, which involves multiple systems, from metabolism to muscle to memory. Some stress is necessary for all living system. . . . However, prolonged or repeated stress, a characteristic of modern life, can have harmful physical and psychological consequences, including heart disease and depression.”

For Deep Spiritual Wellness sign up to “Be Well” in body, mind, and relationships!
